

Van Horn, Metz & Co.

Your Global Supply Chain Partner

PAINTS & COATINGS

EXPERIENCE

Our dedicated team of technical experts will guide you to find the best solutions and products, including high definition pearlescent pigments or industrial carbon black, epoxy resins or renewable water-based resins, as well as antioxidants or flame retardants. Van Horn, Metz has established a solid partnership with our Principals and manufacturers and it is now in a strong position to support not only the development of a new generation of coatings and paints, but also traditional formulations.

TECHNOLOGY

For formulators challenged with developing a low-VOC interior paint or a coating to prevent corrosion, reduce friction or guard against microbial contamination, Van Horn, Metz provides access to a wide variety of resins, additives, pigments and extenders.
