

**Van Horn, Metz & Co.**

Your Global Supply Chain Partner

## LUBRICANTS

### EXPERIENCE

Our dedicated team of technical experts will guide you to find the best solutions and products to improve the performance of both mineral-based and synthetic lubricant formulations. Through a combination of team effort, industry experience and market knowledge, Van Horn, Metz gives you unlimited access to problem-solving options and unique solutions to help differentiate your products.

### TECHNOLOGY

For formulators challenged with developing innovative and sustainable lubricant solutions, Van Horn, Metz provides access to an extensive portfolio of specialty materials through a network of quality suppliers. Our portfolio of products includes, but is not limited to specialty resins and additives, natural-based chemicals, and is available to address your requirements for environmentally friendly alternatives, enhance your performance properties, reduce VOC's or improve your cost expense.

### SERVICE

Contact one of our representatives to discuss the challenges you encounter developing the next generation of lubricants and see how we can provide a solution.

#### CONSULTATIVE SELLING

At Van Horn, Metz, we conduct our sale efforts in a Consultative Selling manner with technically trained, knowledgeable and experienced sales personnel. We offer the highest quality of service by devoting time, attention and resources to our customers.

#### STRONG RELATIONSHIPS

Long standing and in depth relationships with the customers' technical, purchasing and ownership personnel.

#### GLOBAL SOURCING

Van Horn, Metz acts as a bridge, to connect suppliers to our customers, by providing logistics and warehouse capabilities to effectively source globally, while delivering local service.
