

Van Horn, Metz & Co.

Your Global Supply Chain Partner

HOUSEHOLD & INDUSTRIAL

EXPERIENCE

Our dedicated team of technical experts will guide you to find the best solutions and products to meet your application needs and will help you incorporate green ingredients into existing formulations. Through a combination of team effort, industry experience and market knowledge, Van Horn, Metz gives you unlimited access to problem-solving options and unique solutions to help differentiate your products.

TECHNOLOGY

For formulators challenged with developing more sustainable and green formulations, Van Horn, Metz provides access to an extensive portfolio of specialty materials through a network of quality suppliers. Our portfolio of products includes, but is not limited to surfactants, silicones, specialty additives, and is available to address your requirements for environmentally friendly alternatives, enhance your performance properties, reduce VOC's or improve your cost expense.

SERVICE

Contact one of our representatives to discuss the challenges you encounter formulating cleaning products that are safe for home and industrial use, and see how we can provide a solution.

CONSULTATIVE SELLING

At Van Horn, Metz, we conduct our sale efforts in a Consultative Selling manner with technically trained, knowledgeable and experienced sales personnel. We offer the highest quality of service by devoting time, attention and resources to our customers.

STRONG RELATIONSHIPS

Long standing and in depth relationships with the customers' technical, purchasing and ownership personnel.

GLOBAL SOURCING

Van Horn, Metz acts as a bridge, to connect suppliers to our customers, by providing logistics and warehouse capabilities to effectively source globally, while delivering local service.
