

Van Horn, Metz & Co.

Your Global Supply Chain Partner

INKS

EXPERIENCE

Our dedicated team of technical experts will guide you to find the best chemistries for applications such as gravure, flexographic, lithographic, screen and digital printing. Through a combination of team effort, industry experience and market knowledge, Van Horn, Metz gives you unlimited access to problem-solving options and unique solutions to help differentiate your products.

TECHNOLOGY

For formulators in the inks and printing industry, Van Horn, Metz provides access to an extensive portfolio of specialty materials, designed specifically for the graphic arts market. Our portfolio of products includes, but is not limited to, vinyl solution resins, acrylic and urethane modified alkyds, FD&C dyes, UV stabilizers, organic pigments, iron oxides, and is available to address your requirements for environmentally friendly alternatives, enhance your performance properties or improve your raw material cost.

SERVICE

Contact one of our representatives to discuss the challenges you encounter developing your next generation of inks, and see how we can provide a solution.

CONSULTATIVE SELLING

At Van Horn, Metz, we conduct our sale efforts in a Consultative Selling manner with technically trained, knowledgeable and experienced sales personnel. We offer the highest quality of service by devoting time, attention and resources to our customers.

STRONG RELATIONSHIPS

Long standing and in depth relationships with the customers' technical, purchasing and ownership personnel.

GLOBAL SOURCING

Van Horn, Metz acts as a bridge, to connect suppliers to our customers, by providing logistics and warehouse capabilities to effectively source globally, while delivering local service.

The logo for Van Horn, Metz & Co. (VHM) is a blue oval with the letters 'VHM' in white, bold, sans-serif font.
